

CURRICULUM VITAE

Emolo Primo Cicchetti

Born in Milan Italy 20.09.1963

Viale Angelo Filippetti 27 20122 Milan Italy +39 333 2497355

e-mail emolo@riskassess.eu +39 02 83527807

Education

Graduated in Nuclear Engineering on 1989 at Politechnic of Milan.

Experimental Thesis done at Joint Research Center Euratom of Ispra (VA) :

“Thermal fatigue tests on first wall component of experimental nuclear fusion reactor NET (Next European Torus)

Developing a method for measuring the surface temperature with ultrasounds”

Fellowship

- 1989 Milano Order of Engineers n° 15952.
- 1997 List of Fire Prevention Professionals ex D.M. 25.03.1985, Law 818/1984 (now D.P.R. 151/2011).
- List of Safety at Work Experts (D.Lgs. 626/94 and previous laws) of the Milan Order of Engineers with Protocol n° GA/vd 50/70
- Counselor in Business Continuity certified by Business Continuity Institute UK (www.thebci.org)
- Member of Italian Association of Experts in Critical Infrastructures (AIIC www.infrastrutturecritiche.it)
- Qualified Trainer in Health and Safety at Work
AIAS Academy Certificate Nr. AA2018003149

Pre-Graduation Professional Training

↳ 18 months of stage at Materials Science Division, Departement of Advanced Metallurgy and at Non Destructives Controls Laboratory of JRC Euratom.

↳ Ispra Courses at JRCo :

“Fundamentals of Radioprotection ” • “Engineering aspects of Thermonuclear Fusion”.

Publications

E. Cicchetti

“Mathematical model for the evaluation of the heat flux in the thermal fatigue test facility held at JRC Ispra”

Program Progress Report – 1987

M. Eto / R. Matera / E. Cicchetti / M. Merola

“Thermal fatigue test of experimental reactor first wall components”

Proceeding Fall Meeting of the Atomic Energy Society of Japan – 1988

F. Di Somma / S. Casolino / E. Cicchetti

“Surgery computer-aided planning in sarcoma disease. 3D reconstruction of turner diramation in muscle tissue”

Proceeding Virtual Reality Conference – 1995

Post-Graduation Professional Training

- ↳ *Pirelli* :
“Starting with the Company”.
- ↳ *Superior School Guglielmo Reiss Romoli / SIP* :
“Techniques of measure for fiber optical telecommunications cables”.
- ↳ *Galgano & Associati s.r.l.* :
“Customers-Suppliers Relationship (Comakership)” • “The SEDAC system” • “Total Productive Maintenance”
- ↳ *I.S.P. & C.* :
“Safety at Work D.Lgs. 626/94”
- ↳ *Superior School of Trading of Tourism and of Services* :
“Operative tool : Business Plan”.
- ↳ *Trading Chamber of Milan* :
“Quality System by ISO 9000”
- ↳ *Milano Order of Engineers* :
“Specialization course of Fire Prevention for Professionals”
- ↳ *Partec (Munster – Germany)*:
“Techsupport Manager Flow Cytometry Systems”
- ↳ *Biocare Medical Systems (San Francisco – USA)* :
“intelliPATH FLX™ service and support”
- ↳ *BioGenex (San Ramon – USA)* :
“Service Training on the BioGenex i6000™ Automated Staining System and the EZ-Retriever™”
- ↳ *Professionals Association* :
“Updating for RSPP module B all ATECO sectors”
- ↳ *Milano Order of Engineers Foundation – Pro Fire Association* :
“Complete updating at 2016 requested for maintaining the enrolment in the Fire Prevention Professionals list of the Homeland Department ex DM 05.08.2011”
- ↳ *Eraclitea Academy*:
“Counter Terrorism Techniques”
- ↳ *Professionals Association* :
“Energy Manager”
- ↳ *Global Edulink* :
“Business Crisis Management”
- ↳ *Panta Ray* :
“Crisis Management”

- ↳ *Panta Ray* :
"Enterprise Risk Management"
- ↳ *Panta Ray* :
"Business Continuity with certification by Business Continuity Institute UK (www.thebci.org)"
- ↳ *UNISED International University of Security and Social Defence Sciences* :
"Executive Master "Security & Intelligence"
- ↳ *International School Ethics & Security Milano – L' Aquila* :
"Travel Risk & Crisis Management"
- ↳ *Schoolwork Center Geopolitica.info* :
"Geopolitics and International Relationships 2017 edition"
- ↳ *Schoolwork Center Geopolitica.info* :
"Geopolitics and International Relationships 2018 edition"
- ↳ *International School Ethics & Security Milano – L' Aquila* :
"Terrorism : Risk Analysis and Event Management"
- ↳ *Security Consulting Group*
"Travel Security in non permissive areas"
- ↳ *ISPI Istituto per gli Studi di Politica Internazionale*
"Security Management for operators in Crisis and Conflict areas"
- ↳ *UNDSS United Nations Department of Safety and Security*
"BSAFE"
- ↳ *UNDSS United Nations Department of Safety and Security*
"Preparing and Responding to Active Shooter Incidents"
- ↳ *Schoolwork Center Geopolitica.info* :
"Geopolitics and International Relationships 2017 edition"
"Post-America Middle East ed. 2019"
- ↳ *Istituto Gino Germani di Scienze Sociali e Studi Strategici*

- ↳ *Istituto Gino Germani di Scienze Sociali e Studi Strategici*
"Le minacce biologiche alla Sicurezza Nazionale : il ruolo dei servizi di intelligence nella prevenzione e gestione dei bio-rischi emergenti"

Career

1989 Società Cavi Pirelli Research and Development like researcher in the field of optical fibres, optical connectors and telecommunication cables.

Technology Expert for tlc optical cables and technological counseling for the Productive Units of Società Cavi Pirelli.

Head of Process Engineering for a Productive Unit of Società Cavi Pirelli till end of 1994.

1996 Founder of an engineering company and of a company for the production and wiring of industrial electrical cabinets.

1997 Transfer of share of this companies and appointing like President and CEO of *SHUTTLE srl*.

2001 Appointed CEO of SPACE Import-Export s.r.l.

2010 Co-founder of LaboSpace s.r.l. laboratory service provider.

2012 Transfer of share of Labospace s.r.l.

2016 Transfer of share of Space Import-Export s.r.l. and resignation from the office of CEO.

Actually

✚ Industrial advisor in the fields :

- Fire Prevention • Safety at Work • Business Continuity • Crisis Risk Management
- Travel Risk Management • Professional Training • Facility Management •

✚ President and CEO of *SHUTTLE srl*

IT Knowledges

Microsoft Office Professional – AutoCAD – Arca Professional – Microsoft Dynamics NAV – Microsoft Dynamics CRM – F.R.A.M.E. (Fire Risk Assesement Method for Engineers)
